THE TURNUS COLLECTION

Twist action ballpen with an USB-stick under the top part. The 4 components can be combined individually in 28 colours - also available with a metal tip.

NEW: SILK-TECH L refill. Exchangeable plastic refill with 1mm tungsten carbide ball and document proof ink in blue or black colour for a velvety writing experience. All refills are produced accordingly to ISO 12757-2 with a writing length of 3000m.

We only use high-quality A-Brand flash drives and controller to ensure the best possible performance.

All components of the housing are made of high-grade ABS material and are exclusively produced, refined and assembled in Germany.
